

People's Peace Campaign Statement

The Peoples Peace Campaign announces that the Human Chain peaceful event scheduled for 28th and 29th June has been postponed and will not take place as planned.

This comes as a result of the Israeli Army's recent reoccupation of the whole of the Palestinian administered territory of the West Bank and its policy of, curfews, blockades of Palestinian towns and cities, and targeted assassinations.

The Israeli authorities have for their part exhibited a determination to block this joint peaceful activity by denying entry and turning back more than fifty Italian participants at Tel Aviv airport, despite the fact that they were in possession of invitations to participate in this non violent activity.
